Miracle Potato Bar

The Miracle of Mobility wouldn't be complete without a mashed potato bar! Here are some ideas for putting together the perfect potato bar for you to enjoy on event night.

Potatoes:

Boil, roast, bake, or mash your favorite potatoes. Some of our favorites are Idaho or Russet for baking and Yukon Gold or sweet potatoes for mashing. For roasting or baking, we suggest fingerling or red potatoes.

Toppings:

The toppings are what make a potato bar, so the sky's the limit! Place your favorite toppings in separate bowls and provide serving spoons.

Here are some of our favorites:

Chili	Tomatoes
Bacon bits	Jalapenos
Shredded or diced chicken	Radishes
Steak	Onions (any kind)
Shredded pork	Cilantro
Tofu	Parsley
Cheese of any kind	Sweet peppers
Sour cream	
BBQ sauce	
Hot sauce	
Roasted broccoli and cauliflower	

Serve in martini or margarita glasses to elevate your party experience!

Enjoy!
